Subject: Summer Vacation (Nursery – Class V)

Dear parents,

The summer vacation begins from **Tuesday 16th May 2023 to Sunday 2nd July 2023** and school will reopen on **Monday 3rd July 2023**.

To ensure that the students have constructive holidays besides relaxing and enjoying those little pleasures which get left behind due to busy school routine/schedule, school has prepared HOLIDAYS HOMEWORK to keep them active and observant.

Holiday homework is planned on a calendar-based concept to make it easier for the parents and students to plan their vacation in a better way. Now this is the perfect moment for your child to explore experiment and experience activities that would otherwise remain inaccessible or even unknown. It's a special time in which they can discover new interest and expands their horizons in ways that can never be replace or undone.

Encourage your ward to:

- **Read books** – anything from comics, newspaper to fairy tales explore the imaginative world and improve your language skills at the same time.
- **Exercise**, play indoor games or join clubs to channelize your energy and to stay fit
- Visit **cultural and historical places** and learn about our rich heritage
- Watch **fun videos** and movies suitable for your age. You can also watch **National Geographic channel**.
- Visit grandparents and relatives to improve **social skills**.
- **Communicate in English** with parents, friends and relatives
- Enjoy your **hobby**.

These holidays are also a great opportunity to spend quality time together as a family. **KNOW EACH OTHER BETTER!**

Please note:-

1. School will re-open on 3rd July 2023.all holiday assignments will be accessed and graded as a part of the internal evaluation.
2. **PA1 test** will be held in 2nd week of July2023 for class III to V and **First round of Term-1** for classes I and II. The date sheet of the same will be released after the summer vacation.
3. The school management has decided to organize sports/co-curricular Activity Camp (**Free of Cost**) from **Tuesday, May 16th 2023 to Wednesday, May 31st, 2023** for students who are interested in these activities and want to excel in **Dance, Music, Art & Craft, Instrumental Music, Handball, Basketball, Lawn Tennis, Football, Skating, Yoga and Taekwondo**. Interested students may collect the form from the respective coach.

Thanking You,

Ms.Bhakti Sharma
