SUMMER HOLIDAY HOMEWORK 2025-26

Dear Parents,

Summer vacation for the session 2025-26 will begin from Friday, **May 16, 2025** and school will reopen on Tuesday, **July 1, 2025**. This break offers a wonderful chance for children to unwind, rejuvenate and discover themselves beyond academics.

To make this vacation meaningful and engaging, the school has curated a set of thoughtful Holiday Homework Activities based on a **Calendar system**, which will help children maintain a structured routine while enjoying their holidays.

This year, we are excited to introduce a '**Good Deeds Day Bingo Card**' along with the holiday homework. This cheerful activity card encourages students to perform small acts of kindness—whether it's feeding a stray, helping elders, planting a sapling or saying "thank you" to a community helper. These simple actions help nurture empathy, responsibility and social awareness in our young learners and instill the joy of giving from a young age. After doing a good deed, make a tick mark in the bingo card. Let us know how many good deeds you have made!

A Few Summer Guidelines for Parents:

- Begin your child's day with yoga and mindfulness to energize them for the day ahead.
- Allocate time in the afternoon for completing their holiday homework independently.
- Encourage storytelling sessions in the evening to develop moral values and listening skills.
- Involve your child in light household tasks and spend quality time together as a family.
- Promote book reading (comics, fairy tales, newspapers) and restrict screen time to academic use only.
- Motivate your child to feed birds, conserve water and electricity, and explore the rich heritage of India by visiting historical monuments and museums.
- Keep your child physically active through indoor games or hobby classes and ensure they stay hydrated.

Special Note for Classes III to V:

1. Holiday Homework will be assessed and marks will be added to the Report Card.
2. Teachers will inform students of the submission dates after the break.
3. PA1 Exams for Classes III to V will be conducted in the second week of July 2025.
4. The detailed date sheet will be shared post-vacation.

Let us together use this summer break as a time to cultivate joy, empathy and curiosity in our children.

Wishing you and your family a safe, joyful and enriching summer vacation!

Warm regards,

Bhakti Sharma
