

SUMMER HOLIDAY HOMEWORK 2024-25

Dear Parents

The summer vacation begins from **May 16th, 2024** (Thursday) to **June 30th, 2024** (Sunday). The school will **reopen on July 1st, 2024**.

To ensure students have a productive and enriching break, besides relaxing and enjoying those little pleasures which get left behind due to busy school routine/schedule, school has prepared Holidays Homework to keep them active and observant. The calendar-based concept of holiday homework helps parents and students plan their vacations more effectively.

Holidays are a precious opportunity that allows children to embark on a journey of self-discovery and unlock new passions.

Few Guidelines

- ✓ Begin their morning with the practice of yoga, channel their energy into completing homework assignments given by teachers in the hot afternoon, and spend the pleasant evening enrolling in their favourite hobby classes. Before sleeping, impart invaluable lessons on manners, etiquette and moral values through the timeless art of storytelling.
- ✓ Spend quality time with family. Encourage your children to help with household activities.
- ✓ Motivate them to feed birds and advise them to save electricity and water. Limit their screen time, allowing usage only for subjects related to their studies.
- ✓ Encourage them to read books, whether comics, newspapers, or fairy tales.
- ✓ Sensitize your child about the rich cultural diversity of our country by visiting important places like museums, historical places etc.
- ✓ Encourage your children to exercise, play indoor games or join clubs to channel their energy and stay fit. To beat the heat, encourage them to drink plenty of water, juice or lassi.
- ✓ The children should be encouraged to converse in English and improve their handwriting. They should do the activities independently and set aside a fixed time for homework every day.

Please note:

1. The holiday homework will be assessed and graded and marks will be included in the report card. Subject teachers will notify the dates for submitting the homework.
2. PA1 Exam will be held in 2nd week of July 2024 for classes 3 to 5 and First round of Term 1 for classes 1 and 2. The date sheet of the same will be released after the summer vacation.

Thanking you
