PARENT TEACHER MEETING

24.04.2023

Dear Parents

Greetings of the day!

Excellence in education can be achieved through engagement, positive influence and the guidance of parents and teachers.

We are glad to inform you that **the first Parent-Teacher Meeting** of this academic session is scheduled on **27th April, Saturday from 9 am to 12 noon** at the school premises.

PTM will give you an opportunity to discuss your child's academic progress with his/her class teacher, subject teachers and co-curricular activity incharges.

Meetings are usually brief, so it's beneficial for you and your child to prepare before meeting the teachers.

- Consider what you have observed about your child's work while assisting with homework.
- Discuss with your child how he/she feel about school in general.
- Obtain feedback from your child about activity periods and his/her interest in them.
- Consider any suggestions or complaints you may have and present them to the teacher or Incharge.

You can also send a message to **Mr Rajkumar Khurana, the Founder Managing Director**, at his WhatsApp number, 8510010870.

We had a highly successful **morning assembly** with full participation from each class. **Earth Day** was celebrated at the school and we received an outstanding response from students. We organized various activities to honour this day and were overwhelmed by the support from our parents.

House meetings were held to prepare our students for various activities and competitions. Students from classes 3 to 5, representing Azad, Bhagat, Subhash and Patel participated actively.

Note: Students accompanying their parents to the Parent-Teacher Meeting must follow the school dress code and attend the meeting in proper school uniform.

We look forward to a healthy, interactive session that bridges the gap between home and school.

Thanking you

Ms Bhakti Sharma
Junior Wing Incharge
