***"It's time to REVIEW what works, REFINE what needs improvement, and REDEFINE the rules for success!"***

Dear Parents

Welcome back !

Congratulations on your child's success in graduating to the next class! This is a moment of joy and pride for both our bright students and dedicated teachers. As we embark on this fresh academic journey, let's take a moment to reflect on our methods and welcome new guidelines. Together, we'll create the most nurturing learning environment in our school. Let's make this new session an exciting adventure of knowledge!

**Let's summarize some of the highlights from the last academic year:**

- We introduced the concept of **class-wise assemblies** and **special appreciation assemblies** to encourage student participation.
- The **Kindergarten Cultural Fiesta** and the **Annual Sports Meet** were met with overwhelming praise, achieving an impressive 100% participation rate from students in Nursery to Class 5.
- We have introduced **horse riding, taekwondo, and baseball** in the Junior Wing.
- The notebooks were rechecked, and vigorous revisions were conducted for all students, especially for those who needed extra guidance through the **ASP**.
- **Educational tours and picnics** were organized for all Junior Wing students such as the Rail Museum, National Zoological Park and Kidzania.
- The furniture in the Junior Wing is being refurbished, and **AIR CONDITIONERS are being installed in Nursery-KG classes with no liability on parents.**

**To ensure a seamless transition into the new academic year, here are the changes implemented and some effective strategies for you to engage proactively in your child's educational path:**

- As per the **New Education Policy (NEP)**, students can be detained in classes 5 and 8, if they do not perform at the required level.
- A minimum of **75% attendance is mandatory** for all classes. **Short leaves and half days are not allowed.**

- **Gate passes will only be issued in emergency cases.**
- **School timings** are from 8 a.m. to 2 p.m. Please ensure that your child reaches school before 8 a.m. **The school gate will close promptly at 8:10 a. m.**
- To cultivate a sense of responsibility among students and enhance handwriting, we stress the **importance of recording assignments in an almanac or school diary.**
- Collaborating with your child to create **a study plan** helps them develop good time management skills and fosters a positive approach to academics. Ensure that your child completes the homework or revision assignments given by the teacher. Projects will be assigned based on the child's capabilities. Parents are kindly asked to provide guidance only.
- The school will be strict with **uniforms**, shoes, ID cards and **personal hygiene.** The students who violate the dress code will be sent home.
- School **lunch** should be healthy, without gravies or junk food.
- **Birthdays** are reasons for celebrations; however, only dry candies are allowed in school. Cakes, pastries, etc., are not permitted.
- **Attending school events** shows your commitment to your child's education.
- To stay current, the school has transitioned to a **digital platform.** Please download the **SGN School app** from the Play Store to access school memories, activities, news and payment of school fee. Stay updated by checking posts on the Class WhatsApp group created by your child's class teacher.
- We kindly urge all parents to settle the school **fees before the 15<sup>th</sup>** of each month. You have the convenience of making payments online via our SGN School App, or if you prefer, by cheque or cash at our school fee counter.

As a parent, you understand your child better than anyone else. Your child's teacher will also want to get to know your child. Please stay in touch with the teacher, share information and provide suggestions that could be helpful. I will keep you updated regularly on any developments. Together, we can collaborate to support your child's learning and well-being.

**Bhakti Sharma**  
 Head Mistress  
 Junior Wing
